Frequently Ask Questions

What are the most important things I should know about riding a bike? ^

Safety First! Always obey the rules of the road. Obey all traffic signals, signs, and laws. Get in the mindset of "driving" your bike—not just "riding" your bike. This will help you be a more focused and legally compliant bike rider.

How can I tell if my helmet is old and I need a new one? v

My bike has been in storage is it safe to ride? v

What rules should I follow when riding my bike? v
